

## NEBISH LAKE REMOTE RESERVABLE CAMPSITES

Nebish Lake, in Vilas County, is a 98 acre lake approximately three miles east of Hwy M. Nebish Lake Road, the entrance road, is directly across from the Trout Lake Forestry Headquarters on Highway M. There is no development on Nebish Lake except for the boat landing.

Nebish Lake is an experimental research lake. You must register at the fish checking station at the Escanaba Lake boat landing before and after each fishing day. Consult your fishing regulations for special rules.

### CAMPSITE FEATURES

Campsites are open according to snow conditions. Sites may be reserved through [www.reserveamerica.com](http://www.reserveamerica.com).

**AMENITIES:** Minnesota John, picnic table, stone fire ring

**WHERE TO REGISTER:** Thursday before Memorial Day to Labor Day register at the Crystal Lake Contact Station.

Off season register using the yellow self-registration box at the entrance to North Trout Lake Campground on Hwy M.

**TYPE OF LAKE:** Motors allowed.

**Site 631** is approximately 100 yards from the boat landing. The lake bottom consists of mucky sand and logs. The slope to the camping area is gradual. Birch and maple trees are abundant and there is a good view of the lake .

**Site 632** is approximately ¼ mile from site 631. This is in a balsam and birch type forest. There is a little slope from the muck and silt bottom to the campsite. This is a wind-sheltered, fairly isolated site.
